▶ ABOUT THE INSTITUTE (A.M.P.I.C.S.)

Acharya Motibhai Patel Institute of Computer Studies, set up in 1999, has now evolved in to a quality higher education provider in the field of Computer Applications and Information Technology. It is the first institute in the North Gujarat Region to have started to offer MCA program. The institute has attained very high reputation in the state by providing quality education & excellent facilities.

The sterling performance of the institute can be attributed to:

- ✓ best of pedagogical practices by the faculty members
- ✓ exemplary academic infrastructure and
- ✓ industry interface with many reputed companies for placement support

▶ TRAINING & PLACEMENT CELL OF THE INSTITUTE

AMPICS has industry interface with many reputed companies who visit the institute every year for Campus Interview. Training and Placement cell of the institute provides regular training, guidance and assistance to the students to get them aware about the selection procedure. The training and placement cell works persistently towards refining the students for the industry interaction. So far AMPICS has a good placement record on account of academic excellence it has built up.
