Structured Feedback Action Taken Report

Academic Year – 2019-20

ACTION TAKEN PROCESS AGAINST FEEDBACK GIVEN FROM STAKEHOLDERS:

AMPICS is committed to the highest standards of educational and other necessities to students; this practice motivates students to provide thoughtful and productive feedback to the Institute. Formal assessment, with informal comments and consultation, is used to improve our curriculum and other provisions. Feedback from different stakeholders like faculty members, students, Alumnus, our Employers are collected. After collecting feedbacks, all feedbacks are analyzed and suggestions given by them are carefully reported. Some major suggestion regarding syllabus and teaching, learning and evaluation process are presented and discussed in BOS meeting. The action taken report against those suggestions is prepared be will be implemented accordingly.
